Confidential testing, treatment and counselling, information and free condoms and lube.  
Interpreters are available on request.

No Medicare Card required.

If you think you have been exposed to HIV, please call 1800 PEP NOW (1800 737 663).  
For more information on STIs and HIV go to [www.whytest.org](http://www.whytest.org) or [www.health.nsw.gov.au](http://www.health.nsw.gov.au)

It is best to always have a sexual health and HIV check up once every six months  
if you are regularly sexually active.
