

# play mates

look after each other

Sex is about fun, thrills and pleasure.  
Whether we've just met, or fuck all the time,  
we protect each other by

- keeping up to date with information by visiting [www.whytest.org](http://www.whytest.org) or by calling the Gay Men's Health Hotline on 1800 009 448
- getting tested regularly for HIV and STIs, and
- using condoms and lube for fucking...

[www.acon.org.au](http://www.acon.org.au)  
02 9206 2000

...it's what we do.
