

# real mates

look after each other

When we celebrate our freedom, not everyone celebrates with us. Random abuse and violence can happen. Report all incidents of homophobic violence to the Lesbian & Gay Anti-Violence Project on 02 9206 2116 or 1800 063 060

We protect ourselves and each other by

- wearing a jacket or getting a taxi to the party
- travelling to the venue as a group
- being alert, and
- putting your mate in a taxi or taking them home if they're too out of it...

...it's what we do.
