

**If he hasn't said he's positive too,  
how can you know?**

***You just don't know.***

Most HIV negative guys don't always disclose before sex.\* Unless he's clearly told you that he is positive too, use condoms and lube.

\*For more information go to [www.youjustdontknow.org](http://www.youjustdontknow.org) 02 9206 2000 or 1800 063 060
