ACON acknowledges and pays respects to the Traditional Custodians of all the lands on which we work.

ACON VITAMIN SERVICE

The ACON Vitamin Service:

- Is a non-profit service that aims to provide quality vitamins and nutritional supplements at the lowest possible price (+GST) to people with HIV, and to clients, staff and volunteers of HIV and/or LGBTI organisations in NSW.
- Bases its product list on advice from dietitians, HIV practitioners and naturopaths via the Complementary Therapies Advisory Group.

The Vitamin Service is governed by the Therapeutic Goods Act (1989), which oversees the packaging, sale and advertising of all therapeutic substances. The Vitamin Service works on a script basis in requirement of the Act.

What you need to access the service:

ACON Vitamin Service script signed by your dietician, GP or complementary therapist.

- The script should indicate which vitamins/supplements suit your needs.
- Many practitioners have ACON Vitamin scripts in their consulting rooms. If not, we can mail or email you a copy. You can also download a script from our website: acon.org.au/vitamins

Important Information:

- The script is confidentially stored at ACON and expires after **6 months**.
- Please note we cannot give advice or recommend the use of any particular product as outlined by the Therapeutic Goods Act; this is the role of your practitioner.

PRACTITIONER RANGE ONLY

– SCRIPT REQUIRED

We are unable to sell you the products listed below unless you provide this script signed by a practitioner.
