# ACON VITAMIN SERVICE

## The ACON Vitamin Service:

- Is a non-profit service that aims to provide quality vitamins and nutritional supplements at the lowest possible price (+GST) to people with HIV, and to clients, staff and volunteers of HIV and/or LGBTI organisations in NSW.
- Bases its product list on advice from dietitians, HIV practitioners and naturopaths via the Complementary Therapies Advisory Group.

The Vitamin Service is governed by the *Therapeutic Goods Act* (1989), which oversees the packaging, sale and advertising of all therapeutic substances. The Vitamin Service works on a script basis in requirement of the Act.

## What you need to access the service:

ACON Vitamin Service script signed by your dietician, GP or complementary therapist.

- The script should indicate which vitamins/supplements suit your needs.
- Many practitioners have ACON Vitamin scripts in their consulting rooms. If not, we can mail or email you a copy. You can also download a script from our website: [acon.org.au/vitamins](http://acon.org.au/vitamins)

## Important Information:

- The script is confidentially stored at ACON and expires after **6 months**.
- Please note we cannot give advice or recommend the use of any particular product as outlined by the *Therapeutic Goods Act*; this is the role of your practitioner.

# PRACTITIONER RANGE ONLY

## - SCRIPT REQUIRED

We are unable to sell you the products listed below unless you provide this script signed by a practitioner.

| Prescription   | Full Price | Concession card holders |
